# Trebino, Darone Reign as Queen, King

JERRY HACKETT smiles as he walks towards his mother, Myra, to present her with flowers at the Homecoming Rally.

WALKING into the Homecoming Rally are Top Ten candidates Mike Colburn and Tamara Teixeira, student body president.

JACK HARRISON and Lisa Machado share a happy moment before being announced at the biggest rally of the year.

WITH parents and guest looking on, Fred Krey escorts Wendy Lunsford to her seat.

JEFF BETTENCOURT and Jaime Troike walk arm-in-arm after being announced at the Homecoming Rally.

**1985 HOMECOMING QUEEN AND KING,** Michele Trebino and Tony Darone, are captured together for the first time after being announced as the winners.

**RON TURCHIE and Tami Sherman,** the 1984 Homecoming King and Queen, stride into the Stonebarger Gym.

**GRAND MARSHALL,** Keith Dawson, builds the tension and then hands the flowers to the Homecoming Queen, Michele Trebino.

**FAUSTO VELASCO** escorts his girl friend, Jodie Thorpe, into the Homecoming Rally.

**DEBI MCBRIDE** shares her happiness with her escort David Burghult.

**TWO QUEENS,** '84 and '85, Michele Trebino and Tami Sherman, smile for the crowd at half-time ceremonies to climax the day's festivities.

# Homecoming Activities Raise Spirits

TUGGING for all their worth, the Sophomore Class tried to out-pull the freshmen during the tug-of-war.

JUNIORS worked hard to finish this ambitious float for the Homecoming Parade.

MASCOTS, Debi McBride and Michele Trebino, entertain the crowd before a football game.

THIS MIGHTY LION reigns over the Homecoming Parade and the banner above his head proudly proclaims "Long Live Lions!"

MEMBERS of the Junior Class read their newspapers instead of listening or watching the seniors compete in the competition yell.

STRUGGLING to get their pyramid together, the staff members are not too successful. Mr. John Renteria climbs into position as the right side collapses.

SHELIA ROBINSON & ROBIN GALEY stroll across the campus near the library having a chat.

DRESSED like the Statue of Liberty, the large Lion dominates this float during the Homecoming Parade.

*Sports, Activities Dominate Campus*

# Casey, Dawson Share Honors

VICE-PRINCIPAL, Mike Schrader, hurries to his office. His office building was severely damaged by a fire in January.

VARSITY LIONS dash through the halftime poster at the Homecoming Game. The Lions were winners in this contest and shared the FAL Championship with Miramonte.

QUARTERBACK, Tony Darone, is dragged down short of a first down. Tony was not only quarterback, he was an outstanding line backer.

"GET CRAZY!" Sophomores at the Homecoming Rally whoop it up to help raise school spirit.

TONY DARONE is congratulated by Mimi Fejes after his announcement as the 1985 Homecoming King. Tony was an outstanding wrestler and football player.

WITH ROOT BEER streaming off the chin, this student tries to beat others in a lunch-time activity during Homecoming Week.

MIMI MONTANEZ waits patiently for the next customer at the concession stand during the Homecoming Game on Ohmstede Field.

STRAINING for all their worth, the Sophomore Class successfully out pulls the Freshmen Class in the tug-of-war contest.

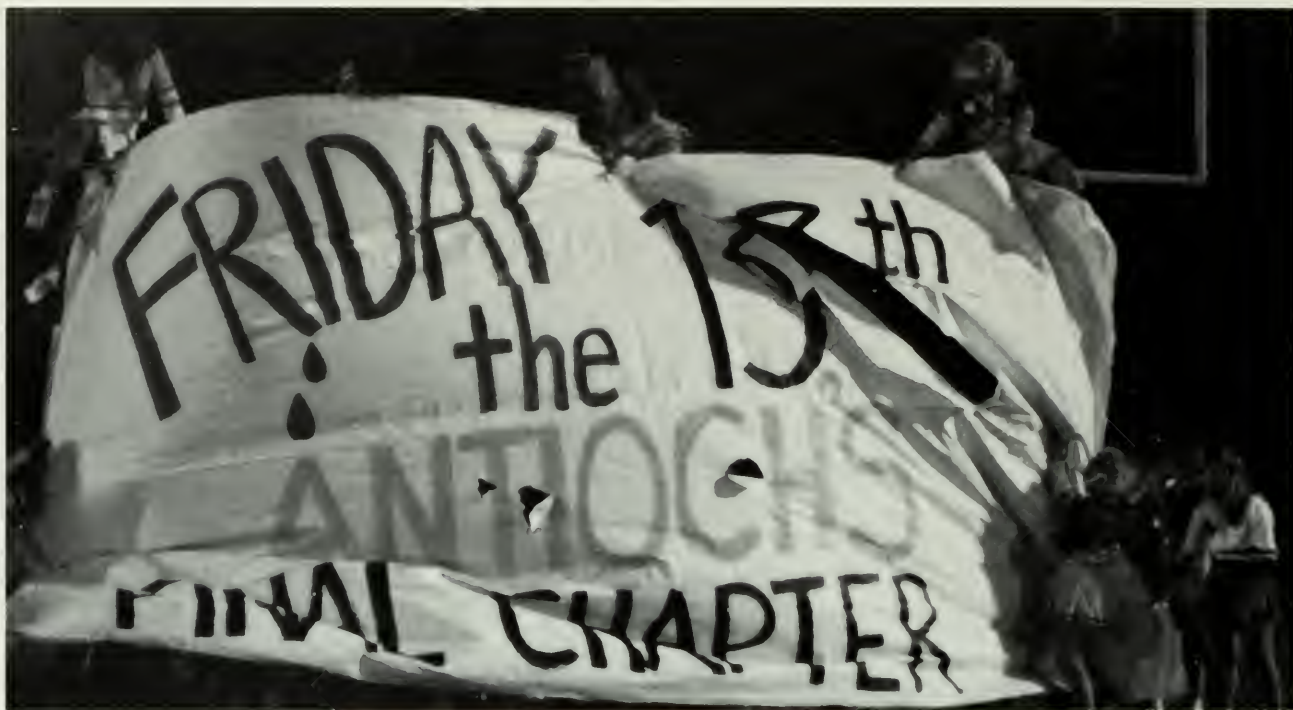

MEMBERS OF THE SOPHOMORE CLASS try to get their act together and build a successful pyramid. They seem to be having a little difficulty with the third layer.

"WHAT, ME WORRY?" Nerd Day brought out the best and worst in some students and faculty members and was enjoyed by all.

SUSAN DEJESUS waits patiently as Grand Marshall, Keith Dawson, carefully opens the envelope that will tell him the 1985 Homecoming Queen. Grand Marshall, Billie Casey, has already announced the King. Both staff members retired in June.

# Seniors Hold Ball at Claremont

NATALIE SOUSA and her date pose for a picture before entering the dining room at the Claremont Hotel in Berkeley.

ENTERING the Claremont Hotel are Daniell Lutovsky, senior, and his date Galiena Gully.

WALKING in from the parking lot are Danielle Batista, Sammi Panapio, and Eric Overholter at the Senior Ball in May.

TODD BOOSTER fixes his tie around his date's neck inside the lobby of the Claremont Hotel.

WEARING her date's coat, Wendy Lundford relaxes as the hotel crew clears the tables before the start of the dancing portion of the Senior Ball.

BRANDY BATZE and Harvey Sandate check their hair and clothes after alighting from the stretch limo that brought them from Oakley.

SABRINA NEVIS, Jack Harrison, Kim Michaud, and Tony Darone show off their finery before the start of the Senior Ball.

SENIORS and their dates rock out to the music of a DJ after the dinner portion of the Senior Ball.

POSING with Principal Jack Ferrill are Mimi Fejes and Jeff Scott. Because the Senior Class scored well on the CAP Test, their dinner was provided by funds from the school.

ALICE HERRICK and Ron Peralta stop for a moment to have their picture taken.

VERONICA BALDWIN and LeeAnn Chavez share a laugh together at the Senior Ball.

WAITING for her date to exit the limo, Tammy Teixeira, student body president, relaxes in luxury.

# CLASSES

Looking back on the Class of 1986 we find them led by Tamara Texeira, president; Sabrina Nevis, vice-president; Denise Mendoza, secretary; and Lynette Cancillilla, treasurer; in their initial year at Liberty in 1982. They were advised by Mr. Patrick Foley and Mr. Vic Thornhill. The freshmen helped raise money by selling both candy and baseball hats. During Homecoming, the class proved that they would survive by placing third in the float competition.

The Class of '86 matched their third place finish in float competition the next year as sophomores. Tamara was again the class president and was assisted by Bernie Sanabria, vice-president; Michele Trebino, secretary; and Heather Roemer, treasurer. Mrs. Norma Equinoa became the new advisor to assist Mr. Thornhill. The sophomores hosted a Valentine Dance and co-hosted the Sophomore Hop/Junior Prom. They continued to raise money with candy sales and had a Haunted House for Halloween in Discovery Bay.

Margaret Freeman became president as the Class of '86 reached junior status. She was ably helped by Bernie, vice-president; Michele, secretary; and Heather, treasurer; with ample advice from Mr. Thornhill and Mrs. Equinoa. To add to their growing treasury, the juniors sold hot chocolate and co-hosted the Sophomore Hop/Junior Prom. They had not one but two candy sales during the year. Moving up a notch in float competition, the Class of '86 placed second.

Entering their final year at LUHS, the now seniors were led by Bernie, president; Fred Krey, vice-president; Wendy Lunsford, secretary; and Heather, treasurer. Mr. Thornhill and Mrs. Equinoa served as advisors. Their candy sales, candy grams and flower grams along with the Turnabout and Homecoming Dances helped raise money for their Senior Ball.

During Homecoming, the seniors placed second in the float competition and watched the crowning of Michele Trebino and Tony Darone as King and Queen. The remainder of the Homecoming Court were Bernie Sanabria, Wendy Lunsford, Tamara Texeira, Debi McBride, Lisa Machado, Kim Machado, Jodie Thorpe, Jamie Troike, Mimi Fejes, Shawn Clark, Fred Krey, Mike Colburn, Fausto Velasco, Jack Harrison, Jerry Hackett, Jeff Scott, Jeff Bettencourt and David Berghult. In May (31), the seniors and their dates traveled to the Claremont Hotel for the annual Senior Ball. This year, the dinner and room portion of the Senior Ball were paid for out of funds that the seniors earned by doing so well on the CAP Test. Because the seniors scored so well, they were able to bring in \$72,000 into the school.

The Class of 1987 earned a first place in the float competition (second year in a row) and captured the Spirit Trophy for earning the most points during Homecoming Week. The juniors also out-yelled all of the other classes at the Homecoming Rally and took first. They were led by Korrin Ghiselli, president; Robin Galey, vice-president; Abbe Gregory, secretary; and Michel Mercado, treasurer. Advisors continued to be Mrs. Jeanne Partridge and Mr. Rod Beaver. The Class of '87 sponsored a Top 10 Dance, a Spring Dance and the newly-named Sophomore-Junior Prom. To build money for their senior year, the juniors had four candy sales.

Raising money by selling M&M's and Snickers, the Class of 1988 were led by Lisa Tysinger, president; Jamie Franks, vice-president; Lisa Jungers, secretary; Christine Addington, treasurer; and advisors, Mr. Tim McHugh and Mrs. Joanne Nash. The sophomores sponsored a Quake Dance and co-hosted with the juniors the Sophomore-Junior Prom.

Building a float entitled "Hail Liberty," brought the newest class at LUHS together, the Class of 1989, the freshmen. They were led by first year officers Kim Trebino, president and vice-president; Ellen Ortez, secretary; and Tara Clark, treasurer. Assisting the freshmen to get off to the right start were advisors, Ms. Jan McAlister and Mr. Dennis Henderson. To help raise money for their senior year, the freshmen sold raffle tickets and hosted a car wash.

All of the classes at Liberty enjoyed the competition during Homecoming and throughout the rest of the school year.

Making a yearbook is as hard a job as it sounds. You are literally "writing a book," with illustrations. The number of people involved and the amount of work put into it is incredible. Nothing would have been accomplished without the help of many special people. To the whole staff, you did a great job. Saturday workdays at 6 a.m. should be declared unconstitutional, however, you still showed up. To Jeff for all the great photos; to Katie and Michelle (Matsutani), you make a great team; to Margaret for a super job on activities and for your welcome smile; to Heidi for doing everything and anything; to Ruth for your hard work (keep it up); to Monica and Suzy for your creative ideas; to Dave for your great communication; to Jeanette, Michele (Mercado), Ana, Michelle (Meadows), Kathy, Frank, Chris, Marilyn, and Don; without all of you we would not have gotten it done. And a special thanks to Mrs. Wanda Keeney for selling yearbooks, keeping our account straight, and those lunchtime chats. To Billie Casey and all the staff that gave so generously of their time, thank you.

To Mr. Bill Batze, advisor, counselor, friend, teacher, and slavemaster; your dedication to the yearbook, staff, students, and teaching are unmatched!; for burning the midnight oil and sacrificing weekends completely, you were the heart of the staff.

Thanks to everyone for 1986 and I'm looking forward to 1987.

Thank You,

Clayton Odell, editor-in-chief

# Yearbook Uses Unique Theme for LION '86

**YEARBOOK ADVISOR** and golfer, Mr. Bill Batze looks over things before starting in the Herb R. Scott Memorial Golf Tournament. Mr. Batze has been chairman of the tournament for its first two years.

**OUTSTANDING AD SALES INDIVIDUAL.** Kim Metz is photographed during her typing class. Kim sold more new or first time ads than any other person on staff.

**FRANK PASTOR**, sports, and Ruth Panapio, freshman class editor, look over things during ad pictures at Brentwood Auto.

**JEFF HURD** plays the computer better than the piano but is willing to show he can try as he is photographed at Geddes Music Center in Antioch.

**CURRICULUM EDITORS**, Kathy McNeal and Michelle Meadows, discuss fowers during the ad picture sessions in the spring. These two young ladies were the first to finish their section.

In September, Mr. Bill Batze's classroom was filled with eager students wanting to help create a yearbook for 1986. By May, 15 hardy individuals were working diligently trying to finish it. The year promised many strange phenomenon, the Class of '86 was born in '68 and graduated on Friday, June 13. "Superstitions" permeated the Sports, Campus Life and Faculty.

Our staff chose the theme "Superstitions" because of the mystique surrounding the Class of '86 and the three Friday the 13ths this school year. Our first football victory of the year came on a Friday the 13th and the Class of '86 would close out their high school career on Friday the 13th.

Our staff was mostly inexperienced but willing to learn. Because of a decrease in sales, the number of books and pages were both cut to a new low; but it was quality not quantity that counted.

Computer work, master layout design, and instruction were all in the capable hands of Mr. Batze, who at times was the only sane person around.

Congratulations Class of 1986 and Good Luck to the future Seniors, Juniors, Sophomores, and Freshmen.

Sincerely,  
Clayton Odell, editor-in-chief

# Curriculum

This has been a year of change for the staff at Liberty. Changes started last July with the sudden resignation of Mr. Tom Himmelberg as principal. With this vacancy existing the Superintendent, Dean Bettker, had a decision to make whether to go outside the district and recruit or promote from within. The decision was made to promote vice-principal Jack Ferrill to the principal position. Mr. Ferrill, who had been in charge of discipline and is a former PE teacher and coach, immediately had to fill his former position. Again, the administration chose to promote from within and Mrs. Cathy Dickey was selected to be the acting vice-principal in charge of discipline.

With the departure of Ms. Marcile Wright in October yet another opening was created. Mrs. Bev Sadler was picked for Marcile's Director of Curriculum and Instruction replacement; while Mr. Bob Glenn took over the project end of the job.

Two new mentor teachers were named this year bringing the total to four. Mr. Bill Batze was chosen in late January, while Mr. Rolla Lewis was designated in May.

During the year Mr. Bettker became Dr. Bettker with the successful completion of his doctorate at USC in October.

The Board of Trustees saw change as incumbent. Mrs. Janet Berumen, was defeated in her election bid for another four years. She was replaced on the board by new-comer, Mrs. Joanne Byer. Successful in re-election bids for the Board were Mr. Leonard Gerry and Mrs. Arlene Poerio. Shortly after the elections, the Board voted not to renew the contract of Dr. Bettker. On May 15, the Board of Trustees designated Mr. Philip White as Superintendent of Liberty Union High School District. Mr. White was Principal of California High School. He had been with that district since 1979. He is a charter member of the San Ramon Rotary and has received the Paul Harris Award from the organization. Mr. White is involved with the San Ramon Valley Business and Education Round Table. Mr. White has a wife and two teenage daughters.

Starting change already for next year, the school saw a number of staff members retiring this year: Mr. Keith Dawson (PE), Mr. Roy Krumland (Business), Mrs. Gayle Krumland (Home Ec), and Mrs. Bernice Weborg (English, Math and History) and Mrs. Billie Casey and Mrs. Alta Ackerman secretaries. The Krumlands had been with the district for 37 years; while Mrs. Casey had 21 years and Mrs. Ackerman had 27. Mr. Dawson came to the district in the 50's and will continue as head Varsity track coach.

The 1985-86 school year welcomes the new teachers at Liberty which are Mr. Hugh Peterson, Mr. Mark Gates and Mr. Jim Sanford (English); Mr. Bob Reed (Science), Mrs. Libby Miller (Math), and Mrs. Lori Rivera/Smith (Foreign Language).

Nine teachers were granted tenure this year. They are Mrs. Cathy Dickey, Mrs. Norma Equinoa, Mrs. Velma Gonzalez, Mr. Don Lopez, Ms. Jan McAlister, Mrs. Norma McCain, Mr. Tim McHugh, Mr. John Renteria and Mrs. Katherine Sorenson.

One of the biggest changes to hit the campus this school year was a disastrous fire in the Attendance/Counseling Office complex. Set deliberately by an arson on January 20, the fire completely gutted the Attendance Office and smoke-damaged the Counseling end of the building. Virtually all permanent records and grades were salvaged but the SASI computer equipment had to be completely replaced. The Counseling Office moved to the Career Center while the Attendance Office took up headquarters in the old computer lab.

The fire delayed not only the construction of the new science complex but the renovation of the older buildings. As if that weren't bad enough, leaking, underground tanks forced further delays in the science complex. When soil samples were taken in the area of the new science complex, it was discovered that gasoline had leaked into the ground from two tanks that had been abandoned years before.

Change was evident in the physical appearance of the campus. Seven new portables were added during the summer and "Portable City" was born. The new classrooms were welcomed by the "gypsy" teachers who had been forced to teach in staff rooms, the gymnasium, and the cafeteria for virtually the first quarter. Later in the school year, the portables that would house the King Vocational students arrived and were rapidly set up. These students were expected to be on campus the third week of June. Even more portables are on order as the community continues to grow rapidly.

Change has already started with the classified personnel. Mrs. Gale Fitzgerald accepted a better position as press operator for Contra Costa County and Mr. Bret Loomis was hired to replace her on our campus. With the retirement of Mrs. Casey, the search started for a new principal's secretary; Mrs. Robin Beck, registrar, was selected to the position.

Yes, it was indeed a year of change for the staff of Liberty.

In Memory of . . .

A unique friend  
A dear companion  
With your warm smile  
And your heart of gold  
You touched the souls of many.  
You welcomed others to your heart,  
You welcomed them with open arms.  
Through you we learned to forgive,  
To smile, to laugh and to cry.  
We love you for your kindness,  
For your sincerity, and unending charm.  
We adore you for always being there;  
Friendly and always being there;  
But mostly we just thank you  
For being only you.  
And now you're gone from time  
You've vanished from our lives  
But never from the memories  
Which we carry on in tears.  
You're loved and missed by many  
The many who care  
No amount of wishing  
Could ever bring you back  
No amount of trying  
Will ever set it right.  
So now our lives must go on  
But your presence will still remain  
Only in the souls of those  
Who can keep good memories from the bad.  
Sixteen years is not enough  
That we can agree  
If the Lord were asked a question  
I know what it might be.  
Why have you taken Beth . . .  
Instead of taking me??
